Cross Systems Training

Cross Systems Training is an event planned, developed, and provided by members of the ADM Board staff and representatives from mental health, alcohol/drug, criminal justice, and developmental disabilities organizations in Summit County. There is no cost to participants.

Those who would benefit from the training include administrative, supervisory, and direct service staff from all systems. These sessions will provide an **overview** of the various systems and opportunities for networking. Learning objectives include: Increased awareness of treatment services, court processes, access to DD services and client rights.

Continuing Education

The Ohio Department of Mental Health (ODMH) is an approved authorized provider of continuing education and training by the International Association for Continuing Education and Training (IACET). They have awarded 13.25 contact hours and 1.3 CEUs for this presentation.

The ODMH is approved by the Ohio Psychological Association to offer continuing education for psychologists. The ODMH maintains responsibility for this program.

The ODMH is an approved provider for the identified professional discipline boards: Social Work, RN/LPN, Counselor & Psychologist

The Chemical Dependency Professionals Board has approved 12.6 Registered Clock Hours (RCH) for Chemical Dependency Counselors.
