

Outpatient Team Coordinator - Licensed Independent Social Worker (LISW) / Psychologis

Are you looking to make a smart career move that helps you maximize your clinical skills, gives you the support of a multi-disciplinary team, and provides the security of an established behavioral healthcare provider? Consider Portage Path Behavioral Health!

Portage Path Behavioral Health has been providing quality mental health services for almost 50 years. With outpatient offices in three locations, we provide comprehensive community mental health services and we also have partnerships in the healthcare and social services communities.

We are seeking a full time Licensed Independent Social Worker (LISW), or Psychologist that will report directly to the Vice President of Outpatient Clinical Services. The ideal Licensed Independent Social Worker (LISW), or Psychologist will supervise all multidisciplinary Team Members, ensuring compliance with Portage Path policies and procedures, and functions in a peer relationship with other Team Coordinators. They coordinate their activities with other clinical staff, other agencies, participate on interdisciplinary teams, with case managers, families, guardians, advocates, and other referral and helping agencies. Must possess leadership and planning skills to smoothly coordinate and supervise the professionals within the team. Management skills to conduct performance appraisals, design action plans, staff scheduling, resolve conflicts, and provide hiring and termination recommendations. Requires ability to oversee general facility and satellite office issues on a day to day basis.

The Licensed Independent Social Worker (LISW), or Psychologist must have leadership skills to enable participation in overall Clinical management functions and future direction planning. Must be able to demonstrate and apply clinically appropriate methodologies for use in client treatment. Treatment skills for individuals with mental health issues.

Strong oral and written communication skills necessary for documentation of assessments, treatment planning, treatment results / outcomes, multidisciplinary planning and professional correspondence. Knowledge of state-of-the-art practice in diagnostic treatment services and knowledge of current philosophical trends in the field of mental health.

Portage Path offers a vibrant clinical environment focused on providing high quality therapeutic care. We offer competitive salaries, a strong benefits package, an incentive program and continual training / educational opportunities for clinicians.

Applicants must have a master's degree or doctoral degree with a clinical focus in counseling or social work, and must have experience in a behavioral health setting. Candidates must be licensed by the State of Ohio, possess strong clinical skills, be able to work within our multi-disciplinary teams, and have strong and timely documentation skills. Applicants fluent in both Spanish and English are encouraged to apply. To explore this exciting career opportunity, please e-mail, fax, or mail your resume to:
