Directions to
William G. Wasson, M.D., Center for Clinical Skills,
Training, Assessment and Scholarship

From Canton and points South: Take I-77 North to I-76 East/Youngstown. Follow Akron/Kent directions below.

From Akron/Kent areas: Take I-76 East. After passing the Kent-Hartville exit, travel approximately 5 miles and exit at State Route 44. At the end of this ramp, turn right and travel south on State Route 44. NEOMED is located less than one-half mile ahead. Turn right at the main entrance, or at the entrance just before Key Bank. You may park in Parking Lot A, B or Visitors Lot.

NEOMED is under construction, so please bear with us …

If arriving before 7:30 a.m., please enter through SECURITY entrance pointed out on the map. If arriving after 7:30 a.m., enter through the big sliding doors that lead to the reception area, denoted as the NEW ENTRANCE on the map.

(If the participants were to come in through the Sequoia entrance then they should go through the atrium up the ramp take a left and find the reception main entrance. As of right now signs are not present at any entrance so hopefully the map will help.)
