CNN MENTAL WELLNESS WARRIORS

Fighting the Good Fight: Two Members of the NEOMED Community Named Mental Wellness Warriors – by Dr. Mark Munetz

Fred Frese

Mike Woody

Mental illness has been in the news a lot in recent months and, unfortunately, in most cases the news is bad. So it was a breath of fresh air when CNN did a positive story about nine people throughout the country who are making a difference in the fight to improve the lives of individuals with mental illness. My breath was taken away when I saw that two of the nine of CNN's Mental Wellness Warriors are my good friends and are part of our NEOMED community, Fred Frese, Ph.D., and Lt. Michael Woody (retired). Dr. Frese is a NEOMED associate professor of psychiatry and member of the BeST Center's Outreach Advisory Council. Lt. Woody is the law enforcement liaison to the Ohio Criminal Justice Coordinating Center of Excellence (CJ CCoE) housed at NEOMED.

◆The ADAMHS Board of Cuyahoga County has been providing CIT training to police officers for the past 10 years. ◆Since its inception, the Board has trained a total of 1,237 police officers, including 544 from the Cleveland Police Department.

◆Our training is based on the nationally recognized Memphis Crisis Intervention Team model. ◆Involvement in the 40-hour CIT Training is voluntary and the Board offers the training free of charge.
