Board Education - Programs and Services Budget Presentation

Kimberly Patton, Associate Director of Clinical Services and Jennifer Peveich, Associate Director of Operations, gave a brief presentation regarding the SFY2023 Programs & Services Contracts between the ADM Board and our providers. Ms. Patton touched on the new funding application process and the timeline the ADM staff follow with these applications. Ms. Peveich highlighted the changes within the new funding application that streamlined the process. She also displayed the Funding Application Summaries that were available for Board Members to review at their leisure in BoardEffect. Ms. Peveich displayed one provider's funding application summary and used this as an example to demonstrate what information was included in each of the provider's summary. She also noted some changes in funding for various providers.

Ownership & Linkage Accountability

A. Chair Report - Vice Chair, Dr. Todd Ivan; on behalf of Chair John Williams

- Dr. Ivan reminded the Board members to complete their Ohio Ethics Training and to sign their Conflict of Interest form by June 30, 2022. He also reminded all Board officers to complete the Sunshine Laws training no later than June 20, 2023.
- The ADM Board Staff has 100% participation in donations for the ADM Recovery Challenge Race to take place on June 4, 2023, at the IBH Recovery Addiction Center. Currently, the ADM Board of Directors has just below 50% donation participation. There are 3 Board Members registered for participation in this event.

B. Executive Director Report - Aimee Wade

- Executive Director Wade awarded Dr. Doug Smith his 10 year anniversary certificate.
- Ms. Wade acknowledge the recent graduation of Amy Woodland, Manager of Community Relations, from the Child and Family Leadership Exchange. She also noted that Ms. Woodland was elected treasurer of her class.
- The ADM Board Staff was the recent recipient of re-certification from OACBHA designating the Board as a Culture of Quality Board for the next 3 years.
- As a part of the on-going recruitment and retention focus, the ADM Board is continuing to work with PreventionFIRST! to provide opportunities for Summit County high school students to be introduced to the behavioral health field through prevention education and experiential learning. This is an extension of the Buchtel College and Career Academy training that was provided last year. This summer, PreventionFIRST! will provide \$5,120 in grant funding to 4 of our local agencies for 8 paid prevention focused summer internships.
- Ms. Wade acknowledged various trainings that have been held over the past 2 months. Jeannie Cool, ADM Manager of Evidence-Based Practices and Outcomes has planned these trainings

that hosted over 150 participants from our partner agencies, contributing to our system investment a having a skilled workforce and quality services.

- Ms. Wade also made special mention of 2 of the provider agencies that celebrated 50 year anniversaries this month; Shelter Care and Portage Path Behavioral Health.

C. Chief Clinical Officer Report - Dr. Doug Smith

- Dr. Smith gave a brief synopsis of the Monkey Pox virus. This is an African based virus that is similar to small pox. It appears that those that have been vaccinated against small pox may have some immunity to Monkey Pox. There is already a vaccine for Monkey Pox.
- The Surgeon General has determined that burnout in the healthcare profession is a global issue. Steps are being taken to alleviate some of the massive paperwork and record keeping that fuels this burnout.
- Persons with Major Depressive Disorder can take a blood test which may be able to predict if they are considering death by suicide. There are certain results that can indicate a tendency towards this result.
- COVID-19 is not gone. There has been an uptick in recent cases in Ohio. We are currently at a 54% infection rate which is increasing. In Ohio, only 59% of persons have been vaccinated.
- Dr. Smith stated that just today, he received information that House Bill 439 has passed out of the House and is on the way to the Senate.

Committee Reports

A. Assurance Committee - Peggy Halter, Chair

- Chair Peggy Halter reported that at the last Assurance Committee meeting, they reviewed the latest suicide and overdose data. At this time, there seems to be a reduction of suicides and overdoses in the African American male population. The reason for this cannot be documented however the ADM Board has increased prevention information for this demographic in the recent months.
- Daryl Brake, Executive Director of Summit County Community Partners, provided a 30 minute presentation regarding several aspects of the legalization of marijuana in Ohio.

- The Assurance Committee would prefer to educate the population of Summit County so they can determine their own decision should this issue ever show up on the ballot for vote.
- Ms. Halter handed out an article from the Cincinnati Inquirer regarding the legalization of marijuana in Ohio and also mentioned various computer links that persons can refer to about information regarding this topic.

B. Fiscal Oversight Committee - Jim Merklin, Chair

- The report from this committee was deferred to the June Board of Directors' meeting since Chair Merklin was unable to attend.
